No 10556-7 / 466 of 22nd May 04 from the S.I. of Edn

The S.I. recommends the grant of a carriage allowance of Rs 25/- a month to Mrs S. Rajagopal, Lady Supdt of the Govt Girls Schools at Bangalore as she is under a necessity to move about from school to school which are situated at a distance from each other. Further he states that the Chamarajapete Girls' School which has no playground has to pay rents for (1) Prize books (2) Reference books & (3) School books, slates etc and needs them and that a sum of Rs 120/- will suffice for the purpose. He proposes to meet the extra charges that will be incurred thereby by cutting short the annual grants allowed of Rs 5 or 10 each to the schools allowed &c

NB—Should notes etc be written on separate slips the notes must be copied on the slips passed on this form

to the Arya Balika Pathasala
and the Govt Girls School
the extra required for

tion of Rs 420 Thus
Arya Balika Pathasala and
Govt Girls School will have
Rs 210 each of them Rs 210

question of funds at all in the case,
the Proposal simply being a
regularisation of a Rent-

Rajagopali's allowance

(X) I cannot see why this has already been done in 1905 & 1906 & why it has been, now, ordered to be stopped in December 1907

that the addition of

To the Secretary to the Government of Mysore

Bangalore

SIR,

I have the honour to inform you that Miss S F Raja Assistant Lady Superintendent of the Government Girls' Schools at Bangalore has four schools under her management in Doddapete, Siddiguttapet tanpete and Chamarajendrapete and has therefore to go from one school to another either for supervision or for actual teaching in the course of each day at regular hours and is obliged to keep a carriage for the purpose Under these circumstances I beg to recommend that a carriage allowance of Rs 25 a month may be sanctioned by Government

The Arya Balika Pathasala and the Government Girls' School have each an annual grant of Rs 300 for (1) Prize books, (2) Reference books and (3) School boys slates &c The Anglo-Vernacular Girls' School which is also fairly well attended has no grants for these purposes at present A sum of Rs 100 a year will suffice for this school, for the purposes mentioned

3 To meet these extra charges which amount to Rs 420 a year, I beg to propose a redistribution of the allotments of the Arya Balika Patnasala and the Government Girls' School in the manner set forth in the accompanying Statement The proposed redistribution allows Rs 290 to each of the above two schools and Rs 120 to the Chamarajapete Girls' School and leaves Rs.200 for the carriage allowance recommended for the Lady Superintendent I request that Government may be pleased to sanction the proposed redistribution of the contingent grants for Prizes, Reference books and School books
